

Types of Resources

Using a line, match the resource type to the resource description.

| Resource Type | Resource Description |
|-------------------------------------|---|
| Primary Source Article | I am where you go to find materials, such as books and articles for your research. |
| Historical Newspaper | I can help you find data about people, places, and issues. |
| Flickr | I provide original data on a research topic/question. |
| Library Catalogue | I can help you find information about event and opinions from the past. |
| Newspaper | I am useful for definitions and background information. |
| Statistics Canada | I am a photo-sharing website used to find images with a creative commons license for presentations. |
| Encyclopedia/Dictionaries/Handbooks | I provide daily information about specific places, events, topics, and people. |
